WORK EXPERIENCE

Jun 2014 - Jul 2014

Employee

During this internship, I had the opportunity to see various areas of the company. I took part in the sales office and followed the accounting through the company's management software. Another large part of the experience, however, was in the company's IT department; in which I was able to assist with the complete revamping of the website and help with the implementation of the e-commerce section.
